STATEMENT OF OPERATIONS
OF SELECTEC, INC.
TO ENSURE PROTECTION OF CPNI

SelecTec, Inc., **the company**, has implemented the following safeguards to protect Customer Proprietary Network Information (CPNI) in compliance with FCC rules §64.2001 - §64.2009.

Through its employee training, the company ensures that all employees are aware of the privacy of communications requirements incumbent on them.

Employees are only able to access records required by them in the performance of the assigned duties.

Employees engaged in marketing and sales activities are only allowed to use CPNI as it relates to customer services currently provided by the company to the customer.

The company requires its vendors, suppliers, and service bureaus to certify that CPNI of the company entrusted to them will not be disclosed in violation of the FCC Rules.
